

Technical Services

What is it?

Technical Services is our service, maintenance and repair (SMR) product which allows us to provide a **comprehensive and consistent** maintenance product with each vehicle we supply - irrespective of the finance partner you choose.

How will it help your business?

Including the cost of service, maintenance and repair with your monthly vehicle payment makes financial sense and means **you don't have to worry about unexpected bills**. Because Fleet Alliance is providing the same facility for all your vehicles, you benefit from knowing exactly what is covered for all your vehicles.

Why Fleet Alliance?

- Technical Services allows you to choose the lowest funding option from our range of funding partners and still have a consistent service and maintenance product for all your vehicles.
- You know you will receive the **high standard** of service for which Fleet Alliance is known.
- Our Technical Service product includes a full range of **market-leading benefits**.

□ Service Trak

Provides a one-stop-shop for all your fleet's servicing and mechanical repairs. Our 24/7 service is designed to save you the time and trouble often associated with dealing with garages.

Drivers have access to a network of **1,000 nationally approved suppliers** or are free to choose the garage they prefer.

□ Breakdown cover

Extending standard breakdown cover for every vehicle ensures that vehicles are covered by a complete and comprehensive roadside assistance programme for the duration of their contract.

□ Fair play on tyres

Unlimited premium tyre replacement. We repair or replace any tyres after a puncture, if they have suffered kerb or sidewall damage or have a tread depth of 2mm or below (0.4 mm greater than the legal limit).

□ Link 24

24 hours a day, all year round technical support from fully-qualified technicians. Whether you have problems adjusting a car seat or working out a refrigeration unit, our technicians are on hand to offer expert help and advice.
